At Festival Theatre, we believe learning through the arts develops individuals that are team players, innovative thinkers, multi-versed interpreters, and compassionate, tolerant members of society.

Socially, intellectually, creatively, and emotionally, individuals who experience the arts on a regular basis are better equipped to meet the challenges of our changing world.

We strive to instill confidence and humility in our campers and for them to come away with new skills to think critically and courageously about their work, themselves and the world! Oh, and, of course, have tons of fun!!

Art is a VERB!
Take Action This Summer!

*All supplies included. Campers asked to provide a snack and water bottle. Each week is a fresh start so campers are encouraged to attend more than one week.
