

Hunter Education Course

Clear Lake Community Education is sponsoring a Hunter Safety Course for students who will be 12 years of age within 6 months of taking the course. Students older than 12 years of age and adults are also welcome. The course is eight sessions long (Monday, Tuesday, and Thursday): **October 3, 4, 6, 10, 11, 13, 17 & 18**. The sessions will run from **6:00P.M. – 8:00 P.M.** and will be held at the Gaylord A. Nelson Educational Center library (enter through the Main entrance under the east canopy).

There is a DNR fee of \$10.00 for this course. Please make any checks payable to the DNR and give to the instructor at the first class.

Our instructor for this course is Jeff Pittman.

Students need to be registered prior to the start of this class as we need to have materials on hand for each student. **Do not plan to walk in unregistered. Please register early!** Class size is limited to 25 students. A parent or guardian must be in attendance with the student for the start of the first session as there is a form to sign.

***Please Note:**

All students must now have an I.D. number from the DNR by the start of the class! You may apply for a number at Clear Lake True Value or by calling the Wisconsin DNR customer service office at 1-888-936-7463.

***When obtaining the DNR number, parents should assist students as they will need to provide the following personal information: name, address, phone number, date of birth, social security number (if you have one), eye color, hair color, height, and weight.**

To register for this course, fill out the attached registration form and return it to Community Education, attention Susan Rogers at the Clear Lake Elementary School. Please call with any questions (715) 263-2117, Ext. #2307 or email to srogers@clwarriors.org.
