

ATV Education Course

Clear Lake Community Education is sponsoring an ATV Safety Course for students who are 12 years of age and older. Students under age 12 may take the course; however, the certificate does not become valid until the student reaches 12 years of age. The course is three sessions long: **Monday, April 24th; Tuesday, April 25th; and Thursday, April 27th.** The sessions will run from **3:30 P.M. – 5:30 P.M.** and will be held at the Clear Lake Jr./Sr. High School in room 152. Please enter through the south front entrance.

*Any elementary students that plan to get off the school bus at the High School will need to provide a parental permission slip to the elementary office. (See attached)

There is a DNR fee of \$10.00 for this course. Please make checks payable to the DNR and give to the instructor at the first class. Also, bring a pen or pencil.

Our instructor for this course is Clear Lake Police Officer Joel Langer.

The student needs to be registered prior to the start of this class as we need to have materials on hand for each student. **Do not plan to walk in unregistered. Please register early!** Class size is limited to 20 students.

***Please Note:**

All students must have a customer I.D. number from the DNR by the start of the class! You may apply for a number at Clear Lake True Value or by calling the Wisconsin DNR customer service office at 1-888-936-7463.

*When obtaining the DNR number, parents should assist students as they will need to provide the following personal information: student's name, address, phone number, date of birth, social security number (if you have one), eye color, hair color, height, and weight.

To register for this course, fill out the registration form or call Susan Rogers at the Community Education Office, (715) 263-2117, Extension #2307. Leave your name, student's name, age, and your home and/or cell phone number.
