The School District of Clear Lake’s ‘A la carte program operates independently from the National School Lunch Program. ‘A la carte purchases may be charged to the student’s family account only if there is a **positive balance in the account**. These purchases are sold separately, at additional cost, regardless of whether or not the family qualifies for free or reduced meals.

‘A la carte purchases that will be available are, second entrees, extra milk, and snack items. (Items may be dropped or added throughout the school year.)

If you would like give your child permission to purchase ‘a la carte, please return a completed form to the Business Office.
