

Clear Lake Schools to Hold Jr. Kindergarten and Birth to 3-Year-Old Screening

Clear Lake School District will be holding our 11th annual Jr. Kindergarten screening on Thursday, **February 7** and Friday, **February 8, 2019**. All children in the Clear Lake School District that turn 4 years old before September 1, 2019 are encouraged to attend. Even if you are unsure about sending your child to school in the Fall, we would love to meet with you.

We will also host our annual Birth to 3 years of age screening on Friday, February 8, 2019. If you are concerned in any way about your child's development, please call for an appointment time. Children will be screened by Polk County Birth-to-Three providers.

Our screening process for all students is play-based and lots of fun! Children will be observed by a trained teacher. Along with the teacher observations, children will have their vision and hearing screened. This is the time to register your child for Jr. Kindergarten (4K) starting in September 2019. All paperwork will be completed at this time, and information about our program will be shared.

During the screening, parents will meet with the JK teachers and will be able to browse the many area services that Clear Lake has to offer. Area dental clinics, hospitals, school nurse, and Polk County resources will be available to answer questions and provide information to you.

Please call or email ASAP to register your child for this wonderful screening. You can reach Mrs. Jessica Pickard at 715-263-2117 ext. 2112 or email the following information below to jpickard@clwarriors.org :

Child's Name

Parent(s) Name(s)

Birthdate

Phone Number

Address

Please spread the word!
We look forward to meeting you in February!!
